FORM UDOC **Unscheduled Discrete Organic Chemical Declaration**

Declaration requirements are set forth in Part 715 of the CWC Regulations (15 CFR 715).

Submit this form (which consists of 2 pages -- Part A - Plant Site Identification and Part B - Plant Site Activities) for each declared unscheduled discrete organic chemical (UDOC) plant site, and for all types of declarations (past activities and amendments). Your plant site is a declared UDOC plant site if it produced more than 200 metric tons aggregate of UDOCs (including all PSF-chemicals). For purposes of calculating the 200 metric ton amount, you must include all PSF chemicals that were produced on your plant site. Your plant site is also a declared plant site if one or more plants on your plant site individually produced more than 30 metric tons of a single UDOC containing phosphorus, sulfur, or fluorine ("PSF-chemical"). Only declared plant sites subject to routine inspection must complete Question UDOC.5.

For the ANNUAL DECLARATION ON PAST ACTIVITIES, submit this form for each UDOC plant site that produced above the applicable threshold in the previous calendar year.

The submitter of this declaration should assign a unique name to the plant site, and record this name in the appropriate box in the upper right-hand corner of Form UDOC, Parts A and B. The Department of Commerce will provide each submitter a unique code for each declared plant site. This code, hereafter referred to as a "U.S. Plant Site Code," will be the primary means of identifying a plant site after the first declaration is submitted and the Department of Commerce assigns a code. The submitter should use this code on all future declarations for a particular plant site.

PART A - PLANT SITE IDENTIFICATION

Questions UDOC.1 through UDOC.3: Provide the name and telephone and fax numbers of the owner and the operator the occupant or the agent in charge of the plant site. Provide the address of the plant site. **DO NOT PROVIDE A POST OFFICE BOX.**

Question UDOC.4: Provide the latitude and longitude for the center of the plant site using the following formats (see Supplement No. 1 for guidelines on determining geographic coordinates):

Latitude: 00(degree)/00(minute)/00(second)/N
Longitude: 000(degree)/00(minute)/00(second)/W

If the geographic coordinates are not for the center of the plant site, you must attach to Form A an explanation of the coordinates (e.g., front gate, Building No.15). Also, use Form A to identify any additional information (e.g., maps, drawings) that you have attached to this declaration to locate this plant site with reference to the declared coordinates. (Check the box if you are submitting Form A with attachments.)

Questions UDOC.5.1 & UDOC.5.2: Designate an Inspection Point of Contact (I-POC) and provide telephone and fax numbers, and an e-mail address so the Department of Commerce may notify you of inspections of your plant site. You may also designate an Alternate I-POC. The Department of Commerce must be able to contact the I-POCs on a 24 hour basis.
